## EthicsSA's training courses

### **In-house courses**

We conduct customised training for clients.

Topics frequently requested include:

- Ethics and Governance (Board training)
- Ethics/Integrity champion training
- Ethics in the workplace (staff sensitisation)
- Fraud and corruption prevention
- Values-based Leadership
- Ethics Management

Our courses are interactive, making use of real-life case studies and practical discussion. Duration varies from 1 hour to two days, depending on content and client requirements. Open courses can also be conducted in-house.

Should you wish to contact us regarding in-house training, contact EthicSA at +27 12 342 2799.

### **Open courses**

- Ethics Officer Certification Programme
- Pre-employment Screening Workshop
- Whistle-blowing as ethical risk management.
